GTT-HOME, LLC is a woman-owned small business based in Puerto Rico. We specialize in the manufacturing and installation of custom kitchens, closets, and commercial woodworking. With over 15 years of experience in the construction industry, we deliver functional, modern solutions for both residential and commercial clients.

CORE COMPETENCIES

- Custom kitchen Cabinet Manufacturing
- Other Building finishing Services
- Commercial Wood Door Installation
- Drywall, Painting & Insulation
- Residential and Commercial Painting and Wall Covering
- Commercial and Residential Tile & Flooring Installations
- Custom Architectural woodwork
- Residential Remodeling Services

DIFFERENTIATORS

- **Woman-led company with a background in civil engineering**
 - Founded and led by Lissette Gonzalez, who holds a bachelor's degree in civil engineering from the Polytechnic University of Puerto Rico. For over 15 years, she has worked on construction and remodeling projects for educational Institutions and commercial spaces.
- **All-in-one services**
 - we integrate planning, execution, and finishing within a single professional team. This reduces delays, miscommunications, and costs while ensuring complete aesthetic and functional consistency.
- **Structured space audit and consulting process.**
 - We offer tiered service package that include a technical evaluation, visual guide, and strategic action plan.
- **Hands-on knowledge of Sketch Up & construction documentation**
- **Commitment to an outstanding client experience**
 - We stand out for our clear communication, structured project management, and continuous follow-up. Our personalized approach ensures every client feels guided and supported from start to finish.

EXPERIENCE

- Residential renovation services in San Juan, Gurabo & Ponce. (kitchen and bath)
- Collaborations with local general contractors. (office complementary furniture BPPR and BCPR)
